Major Mapping Changes-Pine Bush, State Office Campus & University of Albany

Effective March 1, 2007

In an effort to provide clearer mapping of the western area of the City of Albany, this area has been remapped at a different scales. The following 4 new tax maps have been created:

Tax Map 40.00 (1”=400’), Tax Map 41.00 (1”=400’)
Tax Map 52.02 (1”=200’), Tax Map 53.00 (1”=400’)

These maps cover an area originally mapped at a scale of 1”=100’ which required 36 tax maps. Changing the mapping also required tax map numbers for parcels in this area be revised.

Included in this folder is a PDF file entitled: *CITY OF ALBANY REMAPPING & TAX MAP NUMBER CONVERSION REPORT* which contains a conversion from the original tax map numbers to the newly assigned tax map numbers.
