### **Albany Common Council Statement on Uncertain Fiscal Climate Due to State and Federal Revenue Shortfall**

**ALBANY, NY** - The Albany Common Council is working to do whatever it takes including potentially taking a pay cut to save as many jobs as possible. We believe that any cuts should be done in a transparent and equitable manner and we look forward to working with the Mayor's office to achieve this. The Council understands and values Albany employees and all they are doing to help our constituents get through this crisis healthy and safe. We are in this together and we are one.
