

Request for Proposal # 2009-18
Digital Recording, Management and Indexing System for Audio and Video

AMENDMENT
October 28, 2009

Request for Proposal number 2009-18 should be amended to include the number of interview rooms to be outfitted with the equipment/system described. This RFP is for eleven (11) interview rooms; each equipped with covert cameras, covert microphones, dry contact switches, and time/date generator devices.

Prospective bidders must include pricing for the eleven rooms as requested.

Questions should be directed to the city of Albany representative as directed in the RFP.
