Darkness to Light-Stewards of Children

A Community Initiative

Staff Training

“Darkness to Light” is a facilitated training on public awareness and education centered around recognizing the signs of child sexual abuse, prevention, and how to react.

The mission of Darkness to Light is to end childhood sexual abuse by sharing the solution of prevention, awareness and education with the community. This, in turn, builds momentum and over time, changes the way our nation and culture cares for, protects and nurtures our children. Learning the facts about childhood sexual abuse helps prevent it; talking about it helps prevent it; getting involved helps prevent it.
