LOCAL LAW H OF 2022

TITLE

A LOCAL LAW AMENDING CHAPTER 231 (HOUSING) OF THE CODE OF THE CITY OF ALBANY IN RELATION TO CREATING A PUBLIC CODE VIOLATION DATABASE

GENERAL PURPOSE OF THE LEGISLATION

Local Law H of 2022 would require the Department of Building and Compliance to create a publicly-accessible interface to view past and pending violations of Albany City Code for each property in the City of Albany.

NECESSITY OF LEGISLATION AND CHANGES TO EXISTING LAW

With this database, tenants and prospective homeowners will have the tools and resources to see and understand potential unsafe and unfit conditions. The bill continues a trend of transparency for the residents of the City of Albany, and empowers tenants to protect their housing rights. This will also protect property owners and landlords, to provide a real-time update on the progress of their remedial updates.

The Department of Building and Compliance is updating their internal software and will be able to provide a public interface to the City of Albany. This legislation will save the City and the Department time and labor completing FOIL requests, as all information will be publicly available.

FISCAL IMPACT

De minimis.
