

MESSAGE FROM THE PRESIDENT

Welcome to the Albany Common Council which serves New York's capital city!

I and the fifteen members of the Common Council are proud to represent the citizens of Albany. As elected officials, we know it is our duty to serve our constituents to the best of our ability, as well as to preserve, protect and improve the quality of life for city residents.

As president I place a great deal of importance on governing in a manner

that is both open and transparent. My goal is to facilitate discussion that results in good governance. Broadly defined, good governance includes the ability to bring innovative solutions to long established challenges and create effective partnerships with all communities in our diverse city. Effective partnerships are characterized by government empowering individuals and groups to step forward and dedicate themselves and their ideas to wrestling with and solving the challenges we may face now and in future. Your participation is vital to accomplishing our goals. I hope you will work with your Common Council by attending our meetings as well as committee meetings. Join us in ensuring that balance exists; one that has at its core the best interest of residents, businesses, and all who have a reason to experience what Albany offers. Should you have questions or need additional information, please don't hesitate to contact us.

We need to hear from you

Each Common Council meeting starts with a public comment period during which you may speak on any subject related to city government. Speakers are asked to keep their remarks to five minutes and will be called in the order in which they ask to speak.

Public hearings are held on some city ordinances and take place before the public comment period. Speakers are asked to sign up to speak at the beginning of the hearing and will be called in order. The public hearing ends when all have been heard.

Speakers are encouraged, but not required, to call the Clerk's Office at 518-434-5090 in advance of a meeting. Public comments can also be left on the common council's public comment hotline.
