

2022

SUMMER YOUTH EMPLOYMENT PROGRAM

[Click here for more details
on becoming a worksite](#)

- **About SYEP:**

The City of Albany's SYEP "LIGHT" program is a nationally recognized summer youth employment program that connects young people with career exploration opportunities through a paid work experience for 5 weeks during the months of July and August.

- **Who Are SYEP Participants:**

SYEP participants are innovative, enthusiastic, and motivated youth ages 14 to 18 who are interested in enhancing their workforce skill sets.

- **SYEP Employer Partners:**

SYEP has a host of local industry sector partners. Connected SYEP employer partners include city, county, and state public and private businesses in Albany.

- **Reasons To Hire SYEP Participants:**

- Introduce and prepare youth for the world of work
- Help develop social skills including communication, critical thinking, decision-making, and problem-solving skills.
- Build professional networks and so much more...

- **Your Business Can Support Our Program By:**

Becoming a subsidized worksite through our program or hiring a city of Albany youth directly to your organization.
