NOTES:

[1]This use allowance is limited to portions of the ground or basement floor where the exterior of the building was originally designed, or subsequently altered prior to June 1, 2015, by an addition extending the building closer to the sidewalk than the original facade or the installation of commercial display windows that render use of the ground floor or basement as a residence impractical, and shall not exceed 1,500 square feet of gross floor area.

[2]This use allowance is limited to buildings that were originally designed for nonresidential use.

[3]This use is permitted in structures that were originally designed and constructed as multi-unit dwellings, and only for the number of dwelling units that legally existed prior to the adoption of this USDO.

[4]A conditional use permit is required when the use exceeds 3,000 square feet of gross floor area.

[5]A conditional use permit is required when the use exceeds 5,000 square feet of gross floor area.

[6]Not permitted in areas designated as "connected edge" on the MU-FM District regulating plan.

[7]A conditional use permit is required in areas designated as "neighborhood general" on the MU-FM District regulating plan.

[8]This use shall not be located within 500 feet of an existing group living, other use.

[9]This use shall be at least 1,000 feet from the nearest boundary line of a lot with a household living use, a group living use, a religious institution or a school or a park.

[10]This use shall be located at least 1,000 feet from a religious institution, a school, a residential zoning district or a park, playground.

[11]This use shall not be located within 1,000 feet of an existing convenience retail use.

[12]A conditional use permit is required to increase the number of dwelling units within an existing building. See § 375-303(8).
