Reading of Minutes of the Regular Meeting of April 22, 2014
Since the minutes of the previous meeting had been distributed to the Board members in advance for review, a proposal was made to dispense with the reading of the minutes.

Approval of Minutes of the Regular Meeting of April 22, 2014
A proposal was made to approve the minutes of the Regular Board Meeting as presented. A motion to accept the minutes, as presented, was made by Nala Woodard and seconded by Darius Shahinfar. A vote being taken, the minutes were accepted unanimously.

New Business

Historic Pastures Mansions LLC HIP application
Art Lewis and Tara Miller from Liberty Affordable Housing, Inc. spoke to the board to provide details of The Historic Pastures Mansions LLC Project, detailing their agency’s intent to purchase, renovate, and preserve three existing scattered site complexes.

Liberty Affordable Housing, Inc. requests that the ACDA board authorize $87,500 from its year 39 HIP funding, $100,000 from its year 40 HIP funds, and $212,500 in HOME funds from its year 41 budget to support the re-development of the Historic Pastures.
The Board, having heard the presentation from Mr. Lewis and Ms. Miller, entered into a discussion of the project. A motion to authorize funding as detailed above was made by Darius Shahinfar and seconded by Carolyn McLaughlin. A vote being taken, the Resolution passed by a vote of 6-0.

Update on Sheridan Hollow Village and transfer of 149 Sheridan Avenue.
Having tabled this issue from the previous meeting, the Board resumed its discussion of the potential sale of 149 Sheridan Avenue, a parcel of land owned by ACDA, to Housing Visions Consultants, Inc. of Syracuse, NY. Ben Lockwood, Vice President of Business Development with Housing Visions, gave details about the proposition to the Board.

Housing Visions is expressing their interest in purchasing the aforementioned property to include it in their “Sheridan Hollow Village” housing project. Both 145 and 147 Sheridan Avenue are currently owned by Housing Visions. The company would like to demolish the houses currently standing on those lots in order to build new construction row houses on the respective sites. Housing Visions claims that during the demolition of these houses, the structure currently standing at 149 Sheridan Avenue “will almost surely be irreparably damaged, especially considering that it is currently unsound.”

Housing Visions requests that ACDA transfer the 149 Sheridan Avenue property to them for use as additional green space adjacent to the proposed row houses.

After hearing Mr. Lockwood’s presentation and discussing the proposal, the Board entered into a discussion of the proposal. A motion to transfer the property detailed above was made by Darius Shahinfar and seconded by Carolyn McLaughlin. A vote being taken, the Resolution passed by a vote of 6-0.

Sale of 147 and 149 Henry Johnson Boulevard to Patrick Chiuo
Having tabled this issue from the previous meeting, the Board resumed its discussion of the potential sale of 147 and 149 Henry Johnson Boulevard, two adjacent vacant lots owned by ACDA, to Mr. Patrick Chiuo.

Mr. Chiuo recently purchased 151 Henry Johnson Boulevard with the intent of continuing the residential use on the upper levels of the structure as market rate residential housing, plus establishment of a proposed “neighborhood retail shop” on the ground level. He is interested in purchasing the lots at 147 and 149 Henry Johnson Boulevard so that the entire stretch of properties on that street can be redeveloped. Mr. Chiuo’s proposal included floorplans of all three floors and a site plan from Kurzon Architects. Mr. Chiuo’s letter included an offer to purchase these two lots for a total sum of $2,500 ($1,500 for #147 plus $1,000 for #149).

After discussing the proposal, the Board entered into a discussion of the proposal. The Board decided to table this matter for further review. Select members of the Board will meet on their own to discuss the matter before revisiting this proposed sale.

Discussion/approval of RFPs for rehab of 311 and 315 Clinton Ave. and 21 Osborne Street
The City’s Department of Development and Planning is developing an RFP for three vacant properties currently owned by ACDA: 21 Osborne Street, 311 Clinton Avenue, and 315 Clinton Avenue. In order to make these redevelopment projects feasible, the Department will utilize the Capitalize Albany Blight to Betterment funding from Urban Initiative (UI) for 21 Osborne Street and the Neighborhood Stabilization Bond (BOND) for 311, 315. Currently these buildings are cost-prohibitive and the intention of this RFP is to make these projects financially feasible to contractors.

Katie Bronson, Principal Planner with the Department of Development and Planning, presented the Board with cost breakdowns, funding range options, and work write-ups for these sites. The Board reviewed the materials and heard a presentation from Ms. Bronson. After a discussion, the Board entered into a discussion of the project. A motion to approve the RFPs for rehab as detailed above was made by Carolyn McLaughlin and seconded by Darius Shahinfar. A vote being taken, the decision to allow ACDA to move forward with the RFPs passed by a vote of 6-0.
