Chair convened the meeting stating members present and agenda item

Points of Discussion:

- The Committee discussed that recycling is more of an issue for smaller multi-residential complexes/apartments. Multi-residential complexes definition does not cover mix-used buildings. Ordinance 25.42.18 only focuses on residential building.
- In discussions with Department of General Services (DGS) states that ordinance 25.42.18 is stricter enforcement of the current law on our books. Enforcement is complaint driven. DGS give owners 90 days’ notice to owners to correct the problem.
- When owners do not comply, their case is forwarded to Corporation Counsel for prosecution. Owners are fined $1,000 per day per fine. The owner cannot apply for ROP when they have an open case with the City.
- After discussion on ordinance 25.42.18, Council Member Igoe made a motion to move ordinance 25.42.18 out of committee with a favorable recommendation, which was seconded by Councilmember Farrell. The motion passed unanimously.
- Council Member Igoe made a motion to move ordinance 29.51.18 out of committee with a favorable recommendation, which was seconded by Councilmember Farrell. The motion passed unanimously.
