In accordance with the City Charter, Albany is divided into (15) Wards. Each Ward is represented in the Common Council by an elected resident.

Ward boundaries are reviewed every ten years, in coordination with demographic information from the latest U.S. Decennial Census. Redistricting represents one of the most important undertakings of our democracy. Currently, these Ward boundaries have been adjusted to best represent protected groups and a community of interest, based on 2010 Census data.
