City of Albany

Special Event Permit Application Process

Overview

A Special Event Permit is required if your gathering has one or more of the following elements:

- 25 or more participants
- Use of amplified sound
- Selling and/or distributing food, goods or merchandise (this includes exercise classes or boot camps)
- Liquor
- Tents
- Stages
- Walk/Run Event
- Specific location reservations
- Planned demonstration

Permit Process

1. Choose a specific location and date for your event. You are encouraged to choose an alternative location and/or date in the event that your first choice is not available. If you are unsure whether or not a permit is required for your event, please refer to the list above or call the City Clerk’s Office at (518) 434-5090.

2. Complete all sections of the City of Albany Special Event / Facility Use Application. All proposed activities and events are subject to the approval of the City of Albany Special Events Committee.

3. Submittal of an application does not grant you a permit or confirmation to conduct your planned event; all applications are subject to review. Completed applications with appropriate fees and requested documentation/information must be submitted at least 30 business days prior to your event, otherwise late fees may apply.

   Please note: Only applications delivered in person to City Hall Room 202 will be processed on January 2, beginning at 9:00 a.m. Applications submitted by mail, e-mail and fax, and all applications received prior to 9:00 a.m. on January 2, will not be processed until after January 2, 2017. The City Clerk’s Office cannot guarantee that all applications received prior to January 2, at 9:00 a.m. will be processed in the order received. Furthermore, only completed applications submitted with the application fee and all other applicable fees will be processed.

4. The City of Albany City Clerk’s Office processes applications for permits in order of receipt (excludes historically established events). The City Clerk’s Office will not consider your submittal without a completed application and an application fee and all other applicable fees.

5. Upon receiving your completed application, application fee and all other applicable fees, you will be informed of any remaining fees that must be paid along with any additional documentation requirements. The City of Albany reserves the right to require additional information or documentation regarding the applicant, applicant’s company, sponsoring company/organization, cosponsors, event participants, event vendors, event activities, or the event itself. Moreover, the City of Albany may postpone approval of event permits until receipt of additional requested information or documentation. Failure to submit requested information or documentation in a timely manner may be cause for denial of your permit.
6. Some applicants may be required to submit documents to satisfy insurance requirements. A **Certificate of General Liability Insurance** in the amount of $1,000,000 naming the City of Albany as “additional insured on a primary and non-contributing basis” is required. Also included should be the set up and tear down dates. Your permit will not be issued until the Certificate of Insurance has been received and approved.

If you are planning to hold an event at 6Mile Waterworks Pavilion you will need to provide insurance naming both the **City of Albany** and **Albany Water Board** as additionally insured as additional insured on a primary and non-contributing basis on your General Certificate of Liability Insurance for $1,000,000.

7. Applicants are required to inform the City Clerk’s Office in writing of any and all amendments to the original application and/or cancellation prior to the event day.

8. Once all of the requirements have been fulfilled, including receipt of all documents and full payment, a Special Event Permit will be issued if the Special Events Committee has approved the application (event) with 15-20 business days, unless otherwise stated.

9. Please note: Costs incurred promoting and marketing events prior to the issuance of an approved City of Albany Special Event Permit, and changes/modifications relative to the event from the City of Albany and/or the Mayor’s Office of Special Events and other City of Albany departments is at the sole expense and risk of the Event Organizer and/or Applicant. The applicant is also required to provide recycling to attendees for events where trash is generated.

10. **Please note:** the **City of Albany’s hydraulic stage is not available for any Special Events.** Applicants must make accommodations for their own stage.
