Heating and Air Conditioning Instructions

Stop Work Orders. Note that this permit, if authorized, applies only to the work described herein and that a stop work order may be issued if the work goes beyond what was applied for.

Fee Calculation. Commercial and residential properties of three or more units are subject to a \$100 fee. Residential properties are subject to a \$50 fee. An additional per-fixture fee is applied for each fixture as described in the "fixtures fee" portion of this permit. Finally, a 1% surcharge is applied to the total cost of the project for work done on commercial and residential properties of three or more units.

Inspections. All projects are subject to a rough and a final inspection and no inspection may occur until all the necessary materials have been submitted to the department. Please request inspections at least 24 hours in advance and no inspection request will be accepted by voice or email.

Insurance. Either the owner of the contractor is required

to have a liability policy naming the City of Albany as insured or co-insured covering the work described in the permit application. This liability policy must be, at minimum, in the following amounts:

- a) \$100,000.00 – Personal Injury – single incident
- b) \$300,000.00 – Personal Injury – cumulative
- c) \$ 50,000.00 – Property damage

Proof of Insurance. Before we may issue a building permit, we must have proof of insurance. **A contractor may file** an Owner's and Contractor's Protective Liability Policy, naming the City of Albany as an additional insured, for the individual job, in the required amounts; or the contractor may file a blanket policy with the City, covering all work to be undertaken within the period of the policy.

Worker's Compensation. As per NY GML § 125, we cannot issue a permit without proof of worker's compensation insurance. From contractors, we will need one of the following: 1) WCB form C-105.2 or U-26.3, 2) WCB form SI-12 or GSI -105.2, or 3) WCB form CE-200.
