

**CITY OF ALBANY
SUSTAINABILITY ADVISORY COMMITTEE**

Date: Thursday, August 28, 2014

Place: City Court Room 209 – 2nd Floor City Hall

Time: 5:30 PM

This meeting is open to the public.

The Sustainability Advisory Committee was established by the Albany Common Council under Local Law B - 2013 to help the City adopt more sustainable practices and to foster unified action on climate change. The SAC will work in coordination with the Mayor's Office of Energy & Sustainability to reach Albany's sustainability goals as outlined in the City's Albany 2030 Climate Action Plan, the Climate Change Vulnerability Assessment & Adaptation Plan, and the Capital Region Sustainability Plan.
