

**Questions and Answers  
RFP No. 2018-16  
Posted June 20, 2018**

**QUESTION:**

What is the projected volume for this contract? For example, how many current employees would fall under this umbrella as well as the average number of cadets/pre-hires we would expect to see annually?

**ANSWER:**

- **The current number of employees as of today is 1400.**
- **We have no way of knowing how many pre-cadets/pre-hires could be expect to see annually**
