Addendum to RFP 2020-12

The City of Albany Department of Planning and Development posted a Request for Proposals (RFP) on February 24, 2020 for the provision planning, landscape, architecture, and engineering services for the South End Connector Bikeway Phase II. The due date for the proposals was March 20, 2020 at 2:00 PM. The City of Albany acknowledges the nation's efforts to combat COVID-19 and that these efforts may hinder proposers' abilities to submit their proposals by the March 20th deadline.

In light of the foregoing, the City of Albany hereby extends the proposal deadline for RFP 2020-12 to March 30, 2020. Please note that all proposals shall be mailed to the address listed in RFP 2020-12. A proposal that is postmarked on or before March 30, 2020, shall be considered timely.
